BATCH NUMBERS are printed on the batch label. The batch label is the last label on any of our products.

Over the years, Lovesac has used a few different batch labels. Use this document to see where the batch number is located on your product.
**BATCH NUMBERS**

**BATCH NUMBERS** are printed on the batch label. The batch label is the last label on any of our products.

Over the years, Lovesac has used a few different batch labels. Use this document to see where the batch number is located on your product.

**TAG PLACEMENT: SAC INSERTS**

Tags are sewn inside the cover, usually opposite the Lovesac Brand Label.
